

## Anchorholme Academy

### What We Wanted.

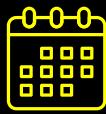

We wanted an exciting, inclusive event to engage the whole school and help raise funds for our Forest School project. It needed to build resilience and teamwork, work for all year groups, and require minimal staff workload. Tough Runner offered a fully managed, high-energy experience that aligned perfectly with our aims.

### What Happened.

Tough Runner delivered a seamless, high-energy day that our pupils absolutely loved. The team handled the setup and running of the course and worked with our staff team to deliver each session smoothly. Children supported each other, grew in confidence and enjoyed every challenge.

## Ecclestone Lane Ends Primary

### What We Wanted.

We wanted an exciting whole-school event that would help us raise money for a new trim trail while giving our children a memorable, high-energy experience. It needed to be inclusive, work for all year groups and require minimal staff organisation. Tough Runner offered the perfect mix of challenge, fun and whole school involvement.

### What Happened.

Tough Runner delivered a fantastic day that brought the whole school together. The team set up and ran the 15-obstacle course smoothly, working closely with our staff throughout. Pupils loved the muddy challenges, showed brilliant resilience and teamwork, and the event raised a significant amount towards our new trim trail.

### What we thought.

Children & Parents loved the event and we had lots of positive feedback. They also loved the SuperKind donation platform and found it really easy to use. They particularly loved the fact they could share the link with friends and family.
