Mobile Obstacle Course

Perfect for Fundraising

Outdoor Adventurous Activity

What is Tough Runner?

Tough Runner is an age-appropriate obstacle course experience similar to the popular Tough Mudder - but designed especially for children. Each event turns your outdoor space into a safe, high-energy adventure that builds resilience, teamwork and confidence through fun, achievable challenges.

Why Schools Love it?

Tough Runner brings curriculum-linked learning to life! encouraging problem-solving, perseverance and positive mindsets. It's accessible for all abilities, fully insured, and requires very little staff preparation. Teachers tell us it becomes one of their pupils' standout memories of the year.

A Powerful Fundraiser.

Your school can use Tough Runner as a sponsored challenge. We provide sponsorship forms, posters and digital materials.

Schools keep 100% of what they raise.

In 2025 alone, Tough Runner events helped schools and youth clubs raise over £55,000 for equipment, trips and community projects.

What We Provide.

- Full obstacle-course build and pack-down
- DBS-checked staff & supervision support
- Safety-first design aligned with UK standards
- Simple communication templates for families

Why it Works

Children don't just take on obstacles, they overcome them. Every part of the course encourages bravery, teamwork and lots of laughter. It's a rewarding, unforgettable day that strengthens both physical and emotional resilience.
